Something new has been added last month. A weekly massage. It is a 60 minute massage in the ladies' shower room. Both men and women can sign up for this. Because of this event, the shower room is closed on Wednesday's from 4pm to 9pm as she has to have it dry in there. Thanks for working with us on this.

Also a **big THANK YOU** to all those that take charge of an activity like Jana Davis who devotes at least 10 hours a week and then some doing our arts & crafts, Don Bishop with the bicycle rides, Joanne Soucie, Laura Haggerty, and Barbara Atkerson for teaching line dancing, Ruth Spong for doing the Book Club, Debi Butzbach for doing Bible study, The Doug & Pat Pomerantz for starting the Healthy Cooking Club, Dean Ashbach for tennis, Al Gibbons for doing the golf outing, Mary Hinkley for doing Bridge, Wayne Spong for teaching Pickleball, and anyone that helped move tables, helped decorate at Christmas, and to Nancy Paxton and Kathy Wiley for setting tables with china at every event and to anyone else that I accidentally left off. All this volunteer work is so much help to me. As you can see, **without volunteers**, I would be dead in the water, as I can't do it all by myself.

Thanks to Steve Perron for doing the directory pictures and making the directory look great. The new directory is also attached to this email. If you haven't signed up for the directory, the form is included in this newsletter, please fill it out and email or mail it back to me. We have to have a signed form by law, as we can't give out your information without your approval. Once I have that form from you, I will add you to the directory. If you have a picture of yourselves that you want it in the directory, you can email it to me to have it put in the directory. It is sure nice to put names and faces together. As everyone has lots of new names and faces to learn. We also ask that this information is for Cypress Trail use only, and cannot be given out to others. Please respect each other's privacy. In case you are wondering, we have sold a total of 180 lots since inception, and more in the wings.

I have also included the Power Squadron safe boating class flier, if any of you are interested in doing this. You must contact them to reserve your place in the class.

Emergency weather: This is tornado season here, and if you are taking cover in the clubhouse, we ask that if you have a dog, please use the office side of the 2 clubhouses. If you don't have a dog please use the ballroom side of the clubhouse. Dogs are not allowed in the ballroom, kitchen, or Omni room side of the clubhouse, as we serve food there.

For everyone going back up north this month, have a safe trip, and we will miss you. It sure will be quiet here in the off months, but more time for me to plan things for you to do. OH OH WATCH OUT! "Let's Have Some Fun" Jan Roller
