SAFE TRAVELS

FROM YOUR LIFE STYLE COORDINATOR

JAN ROLLER

Hi EVERYONE!

Wow! NEW SEASON ALREADY!

Tony & I arrived 2 weeks ago from Crossing Creeks. We had a great time there and the owners there are great, too, just like here. Everything is more laid back there, and of course, so beautiful with the Blue Ridge mountains to look at every day.

I thought I would see a lot of damage to the CT resort, but luckily there was no major damage. A few of the tiki huts will need repair along with a few sheds. A power surge after Irma fried the office and ballroom card reader at the entrance doors. Irma took out most of the storage fence, but the items in storage look ok. Most of our street signs were either taken out of the ground, broke off, or twisted. Plus a few other things will need fixing, but all in all, we faired pretty well, especially when you see the area around us. It is so sad to see so many of the huge trees that were taken out of the ground roots and all and just laid down.

I want to say a special "THANK YOU" to Anna, Pedro and their family and friends for coming the very next day after the hurricane (this they did on their own) to start picking up debris at our resort. I was told there wasn't a place anywhere that didn't have debris on it including the roads, and they had it all picked up in 2 days! You guys are AWESOME! And again, thank you! If you don't know who Anna & Pedro are: Anna cleans the bathrooms and the floors at night at our resort and Pedro cuts the grass plus many other things. So if you see them, thank them.

In late June, Lighting hit the weather bug station and fried some of our entertainment center behind the stage and the projector in the ballroom, so that will need replaced. The insurance claim is pending.

I have cleaned and sanitized the kitchen from top to bottom and inside cabinets. So please help to keep it neat and clean.

Included is the Monthly calendar and the Activity calendar for the month of October. I have added a new activity. Some of the men will love it, and have been asking for it, so now you have your Cigar Club. I have designated Wednesday evening at 6:30pm, under the Veranda at the other end of the pool for you to smoke and tell your fish stories, war stories, or anything else you might get them to believe. LOL. Please BYOB and of course your favorite cigar.

Also, I am working on adding people to the Cypress Trail Directory. Included is a directory form for you to fill out, if you want to be in the directory. Please return the filled-out form to me, through e-mail or snail mail. If you are already in the directory, no need to send me another one. If you have changed address, telephone # etc. Just send me an e-mail with the change so I can update the info. Please include your name with the info, as sometimes I can't tell by the email who it is. Also, if you would like your picture in the directory, please send me any special photo you want in the directory. The deadline for sending your info for the next directory will be Nov 15. I will then send it on to Steve Perron for him to do his magic and make a directory. Hopefully, I will be able to send you the new directory in December before you arrive. Also, thanks so much Steve Perron for doing this!

I am changing Meet and Greet this season. It will still be on a Monday and for right now the time will be at 5pm, (we are thinking of changing it later on to 4pm), but there will be NO food to bring. I will have chips, salsa, and pretzels for your enjoyment along with my famous Margaritas and Tony's famous Florida sunrise, tea & water. BYOB if you like. This will be a social time to mingle with everyone, and welcome and visit with the new guests and new owners.

I have started Coffee and donuts again for this month, and it still is on Tuesday morning 9am in the Omni Room. This will be a social time this month, until more people show up to have speakers. So, come by and have a free donut and coffee.

Thursday night at 7pm for at least the next 2 months, I will be having BINGO. Come to see how it will be played.

Friday night is Left, Right, & Center at 6:30pm.

For Halloween this season, we will have a dance only with Tammi Truitt. Bring snacks to your table and we will have a costume contest with. I will only sell tickets at the door. They will be $10 pp. for a fun night. I will have popcorn from our popcorn machine for you to enjoy.

Your first HOA meeting of the season will be Wednesday, November 8. This is a special Board Meeting (Budget) at 1:30pm.

The following couple of pages are letters from owners please read.

Letter from owner David Mason on naming the 2 lakes:

So, some thoughts about choosing a name. These are not binding. Just my thoughts.

Only owners should participate in this and name suggestions may come, if you wish, from both owner spouses. Owners of multiple lots should try to hold themselves to one suggestion per spouse. I own multiple lots and will limit myself to one suggestion.

It is very unwise to name something after a living person. They may be a good person now, but they still have life left and they may become a bad person before their life is over. If something is named after them and they thereafter become a bad person, it then becomes an embarrassment and a necessity of changing the name. I lived through that type of unfortunate situation in my legislative work. It was uncomfortable for all of us who had to work on it.

In the name the word "lake" may be put first or it may be put second. So, as an example, Lake Flower or Flower Lake. It is just which ever sounds best when you say it or read it. And I hope that our lakes are each named something that correlates in some manner with the name of the other lake.

I suggest that the lakes be named for something that is about a uniqueness or a special aspect of our beautiful park. In private conversations one person suggested Sunrise Lake and Sunset Lake. Another person suggested Cypress Lake and Trail Lake, another one was Lake of the Royal Palms for the second lake. I just mention these suggestions to get you thinking. Those persons are not owners so those suggested names will not come in unless an owner likes and suggests them.

There is great creative wisdom amongst our owners. Please use your wisdom and send a lakes name suggestion to Jan. She will write an accompanying note to this email telling you how to, as an owner, do this.

My vision it that by the end of Season we will have nice looking name signs at each of our lakes.

Thank you. David Mason

Thank you David for your letter, so now, as an owner, your job is to come up with a name for the 2 lakes. Please send your suggestions to me jroller@cypresstrailrv.com ASAP. Your ideas will be tallied up and 3 names of each lake will be put to a vote at the January 10th Owners meeting. A name will be decided for the 2 lakes then, and the person that chose the name of the lakes that won will get a big cake from David Mason.

The following message is from Ron Mattox, he is an owner and his company makes all our "Cypress Trail" shirts, jackets, beach towels, hats, his samples are in the Omni Room. Order on line at the address below.

Greetings everyone!

Glad to hear that there we little damage at the resort from Irma.

It's getting close to the time when we will all be heading south again for a great winter.

To help you prepare we have added some new items, and some new colors to the resort web store.

All orders ship freight free thru November 30th!

Place your order now and have it shipped to your summer home, or to the resort, and it will be ready when you arrive.

Remember.... profits go to the resort owner's association.

All of us at the resort wanted to thank you for your overwhelming support of the Heritage Memorial Garden. This project is being funded by the owners of the resort and I am pleased to report donations are now just over $16,500! Also, I would like to thank each of you for the time you spent with our committee members, as they visited your lot. If you were not available during their presentation, or if you still would like to donate...you can fill out the form below and mail it at your convenience.

Over 175 people attended the kick-off barbeque on March 16th, and had an opportunity to walk the project and ask questions. Special thanks for the food supplied and cooked to perfection by the "South Forty". We also need to recognize The Saturday Morning Breakfast Committee and the Quilting Group for their support of this project. We are fortunate to have such a great group of homeowners that have committed so much time and effort over the last 3 months to begin making this garden a reality and hope you will join us in this effort. We look forward to construction beginning later this spring, so when you return next fall many of the plants will be established.

Thank you again for your support, and feel free to use the form attached below.

Sincerely

Lew
