*The summer season is over and fall is here! The weather will soon turn cool up north, but not here! The pool and spa look great. The covered areas on the shuffle board courts have been completed and new windscreens on the pickleball and tennis courts have been installed and are ready for players. A new gate is being installed between the courts to make retrieving those errant shots a little easier.*

# Summer at the Trail

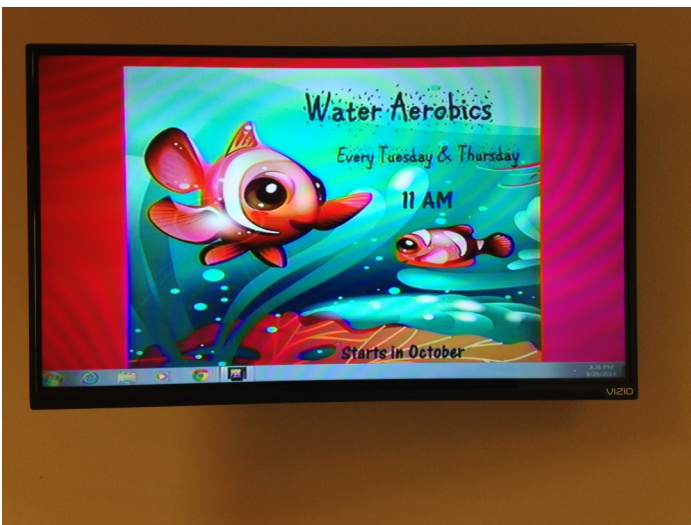

Summer is a special time. The lazy days of summer, but not here at Cypress Trail where the summer has been a busy one. Construction is underway on new sites that will complete the loop around the lake. Check out the latest aerial shots on Facebook to see all the progress this summer. Many owners have started landscaping their lots and the palms are growing tall. Our patio is getting some great use as Monday Happy Hours have already started. Even the pickleballers have been braving the summer Florida sun to hit the courts and get in some practice before the season begins.

# Channel 50 Hits the Air

Our own TV station is now on the park cable system at Channel 50. This is where you will find all kinds of park information on events and schedules for indoor and outdoor activities. If you are a satellite user you can still catch all the channel 50 info on our new monitor mounted at the office entrance.

In addition to channel 50 we now have all Dish Network channels available in the card room, pool room and Omni room for those who just can't miss sports on ESPN etc.
